## TC-100 Super Compact mini "Badge" Camera

The TC-100 Badge Camera is a compact, body-worn camera designed to resemble a name badge, ensuring discreetness in any environment. It can record up to 11 hours of high-quality video and audio, providing crucial evidence when needed and as a deterrent against potential customer aggression.

This badge camera seamlessly integrates discreet design with a powerful body camera system, making it ideal for the retail and hospitality markets.

With simple body mounting options via a magnetic clip or pin, the TC-100 can be effortlessly worn like a badge. Weighing only 51 grams, it remains completely unobtrusive, allowing you to maintain a professional appearance while ensuring safety and security.

### Features

#### 11 Hours of Continuous Video recording

Capture a full shift of video interface with customers

#### WIFI Control

Using the Android App, the camera can be fully controlled via WIFI including video and audio downloads.

#### Separate buttons

For video and Audio recording.

#### Character Superimposition

All videos are superimposed with a Time/date stamp, Camera File name and unique user name.
